B. *Editing of Tape Records.* Prior to submission of data, each carrier is requested to edit and correct its data so that its O&D Survey report may be as error-free as is reasonably practicable. The methods to be used in editing are left to the carriers' discretion, but with assistance available upon request from the Department's Office of Airline Information (OAI). To aid the carriers in maintaining a current file of editing criteria, OAI will re-issue, as needed, the city/airport-carrier file to each participating carrier. There will be a five-position field to denote the city/airport-carrier. The first three positions denotes the airport and the last two positions denotes the air carrier.

C. *Standard Formats for Floppy Disk or Cartridge Submissions.* Carriers should use the 200 position format with the standard length fields prescribed for magnetic media submissions. The record layout is detailed in subsection A(1) of this section. However, to simplify the PC submissions, the submitter may report the dollar value of the ticket in the field immediately after the last reported city code, rather than in positions 196-200. Submitters may separate fields by using commas or tabs (comma delimited ASCII or tab delimited ASCII format).

5. In Appendix A to Sec. 19-7, in Sec. X., revise the definition of "Fare basis" code and add the following new definitions to read as follows:

* * * * *

Fare basis code. The alphabetic code(s) or combination of alphabetic and numeric codes appearing in the "Fare basis" box on the flight coupon which describe the applicable service and discount to which the passenger is entitled. All fare basis codes are summarized into basic categories; namely C—Unrestricted Business Class, D—Restricted Business Class, F—Unrestricted First Class, G—Restricted First Class, X—Restricted Coach/Economy Class, Y—Unrestricted Coach/Economy Class, and U—Unknown (This fare category is used when none is shown on a ticket coupon, or when a fare category is not discernible, or when two or more carrier fare codes are compressed into a single stage of a passenger trip).

* * * * *

Operating air carrier. Under a code-share arrangement, the air carrier whose aircraft and flight crew are used to perform a flight segment.

* * * * *

Ticketed air carrier. Under a code-share arrangement, the air carrier whose two-character air carrier code is used for a flight segment, whether or not it actually operates the flight segment.

DEPARTMENT OF THE TREASURY

Fiscal Service

31 CFR Part 357

[Department of the Treasury Circular, Public Debt Series, No. 2-86]

Regulations Governing Book-Entry Treasury Bonds, Notes and Bills

AGENCY: Bureau of the Public Debt, Fiscal Service, Treasury.

ACTION: Final rule.

SUMMARY: The Department of the Treasury is publishing a final rule to its TRADES Commentary, (Appendix B of 31 CFR Part 357), to update the list of states that have enacted Revised Article 8 of the Uniform Commercial Code and that were the subject of prior notices published by Treasury in the **Federal Register**. Appendix B provides explanatory information regarding the regulations governing Treasury securities held in the commercial book-entry system, referred to as the Treasury/Reserve Automated Debt Entry System ("TRADES").

EFFECTIVE DATE: August 13, 1997.

FOR FURTHER INFORMATION CONTACT:

Walter T. Eccard, Chief Counsel (202) 219-3320, or Cynthia E. Reese, Deputy Chief Counsel, (202) 219-3320. Copies of the final rule are being made available for downloading from the Bureau of the Public Debt home page at the following address:
www.publicdebt.treas.gov.

SUPPLEMENTARY INFORMATION: The final rule to govern Treasury securities held in the commercial book-entry system, or TRADES, was published August 23, 1996 (61 FR 43626), and was effective January 1, 1997. Appendix B of the rule, the TRADES Commentary, addresses the limited scope of federal preemption of state law under § 357.11 of the Section-by-Section Analysis. If the choice of law rules set forth in TRADES lead to the application of the law of a state that has not yet adopted Revised Article 8 of the Uniform Commercial Code (Revised Article 8) then TRADES applies Revised Article 8 (as approved by the American Law Institute and the National Conference of Commissioners on Uniform State Laws, or the "uniform version"). Treasury indicated in the preamble to the final rule that if a state passes a version of Revised Article 8 that is substantially identical to the uniform version, then reference to the uniform version would no longer be required. In the TRADES Commentary, Treasury further stated that it had reviewed the laws of those states which had adopted Revised Article 8 as of the date of the publication of the final rule and had concluded that they were substantially identical to the uniform version. Those 28 states were enumerated and listed by name alphabetically in a footnote.

Treasury further indicated that it would publish in the **Federal Register** a notice setting forth its conclusion as to whether additional state enactments of Revised Article 8 are "substantially identical" to the uniform version for purposes of the regulations. Treasury has published such notices with respect to California (62 FR 26, January 2, 1997) and the District of Columbia (62 FR 34010, June 18, 1997). The TRADES Commentary further states that Treasury will, on an annual basis, amend the Commentary (Appendix B) to reflect subsequent enactments. Accordingly, this final rule amends Appendix B to reflect the addition of California and the District of Columbia to the list of states enumerated therein. In addition we are making a technical amendment that corrects the footnote in Appendix B to the rule we published in 61 FR 43626, August 23, 1996.

Procedural Requirements

This final rule does not meet the criteria for a “significant regulatory action” pursuant to Executive Order 12866. The notice and public comment procedures requirements of the Administrative Procedure Act are inapplicable, pursuant to 5 U.S.C. 553(a)(2).

As no notice of proposed rulemaking was required, the provisions of the Regulatory Flexibility Act (5 U.S.C. 601, *et seq.*) do not apply.

There are no collections of information contained in this final rule. Therefore, the Paperwork Reduction Act does not apply.
